

PRINCE GEORGE, BC

Survey Technician (Party Chief)

Koehler Land Surveying Inc. (KLS) is currently looking for an experienced and motivated survey technician (party chief) to join our team. The position includes, but is not limited to, field and office work associated with legal, topographic, and construction surveys. Individuals with formal education from a University or Technical School are encouraged to apply. Individuals without post-secondary education but with practical experience are also encouraged to apply. The successful candidate would have good communication skills (verbal and written), be task oriented, have a good attitude and work ethic. At KLS we utilize Trimble and Leica equipment preference will be given to candidates with working knowledge of GPS technology, total stations (robotic and manual), as well as field and office procedures related to data acquisition and processing. Training of job specific tasks will be provided. Tickets such as first aid, chainsaw, quad, etc. would also be an asset.

KLS is a locally owned and operated survey company servicing the Prince George area as well as up to 300 kms in each direction with the occasional project throughout BC. We offer a wide range of services such as boundary marking, topographic surveys, subdivisions, easements, rights of ways, engineering, construction and legal surveys.

Wages will be based upon qualifications and experience. Please list references on resume.

Candidates should submit their resumes via email to info@klsinc.ca.

Prince George is BC's "Northern Capital" and boasts many reasons for being a very attractive location to live and work. It offers a variety of four-season outdoor recreational opportunities that are complemented by a full range of urban amenities. No matter what your age, there are plenty of activities for you to enjoy in and around Prince George.
